

~~MMXX~~ January 20, 1980

Dear Harold,

Thanks for your mailings of 11/26, 12/11, 1/1, 1/12, and 1/12. As you guessed, I have been extremely busy. Our book is, at the moment, ~~new~~ somewhat stalled, thanks to the libel lawyers. I've been spending far too ~~xx~~ much time on it.

Here are my newsletters of ~~11/29~~ 11/29, 1/1, and 1/13, plus the JD letter to Stokes.

Also, the indexes to Vol. V and Leg. Reform Vol. I. I think that should complete your set. However, my records are unclear on whether or not I sent you Vol. VIII. Let me know if I didn't.

Mark Allen called to tell me that he had shaken ~~some~~ part of CD ~~247100~~ 347 loose. Thanks for your comments; I'll let you know what I ~~see~~ see.

I do appreciate all the FBI documents. I simply haven't had time to look at the microfilm myself. I thought 3 of the items you sent on 1/12 were particularly interesting - I'll put comments on them in my ~~next~~ next newsletter.

You asked about Hal Verb. The last time you sent me something relating to him, I wrote him, but got no response (and didn't get my ~~xxx~~ letter back). So, I ~~xxx~~ assume he's still in the area, but have no idea what he's up to.

With best regards,

*Paul*
